SENATOR SIMPSON: Mr. President, I guess I won't have to do anything. I didn't hear any opposition. I wondered if I had it, but I guess we're . . .

PRESIDENT: Well I didn't hear you, Senator Simpson.

SENATOR SIMPSON: Glad you didn't.

PRESIDENT: Record your vote.

CLERK: 28 ayes, 7 nays.

PRESIDENT: Motion carries. The bill is so advanced.
LB 355.

CLERK: Read bill.

PRESIDENT: 355 is the bill. Chair recognizes Senator Murphy.

SENATOR MURPHY: LB 355 was introduced at the request of the Real Estate Commission and it simply deletes what was referred to as obsolete language, whereir the Conservation and Survey Division was given authority and jurisdiction over the sale of lands outside the state of Nebraska. Either last year or the year before that authority and power was given to the Real Estate Commission who are now exercising it and the Conservation and Survey Department has not done so for quite some time. This simply deletes the reference to that authority under Conservation and Survey, as much as it is duplicated under the Real Estate Commission. I move for the advancement of the bill.

PRESIDENT: Is there any further discussion? We have an amendment here. You moved to adopt the committee amendment, excuse me.

SENATOR MURPHY: On 355?

CLERK: Page 3, line 14 strike "and" and show as stricken line 18 strike ":" and insert ": in". Mr. President, the amendment is in the Journal on page 427.

SENATOR MURPHY: I'm sorry the amendment is not in my book. Would the Clerk please read it again.

CLERK: It's on page 3, line 14, strike "and" and then show as stricken. Line 13 strike ":" and insert "in".

SENATOR MURPHY: I move the adoption of the amendment.

PRESIDENT: Is there any discussion?

CLERK: The amendment, Mr. President, is at the bottom of the committee statement.

PRESIDENT: Senator Marsh.

SENATOR MARSH: I do not have a committee statement in my book.
